

The purpose of Barrack Heights Community Garden is to promote a sense of community, where trust, effort, knowledge, skills & responsibilities are shared, so that an independent & sustainable lifestyle can be developed and maintained.

There are lots of things to do and lots of ways to get involved.

If you have skills or would like to help outside the garden

(eg: computer skills, marketing, networking, donations, etc...),

or if you belong to a group and would like to arrange regular activities at the garden, we would love to hear from you!

BARRACK HEIGHTS COMMUNITY GARDEN

Promoting Sustainability through Community

Come along to one of our Working Bees or just pop in and have a look around.

Working Bees are held every Tuesday 2pm - 5pm

For more information call Shellharbour City Council's Community Connections
